

JOB COMPLETION REPORT

Maple Ridge Apartment Move-Out Cleaning

CUSTOMER

Sample Client

SERVICE DATE

July 30, 2026

SERVICE TYPE

Move-out carpet cleaning

EXECUTIVE SUMMARY

This customer-ready record documents the living room carpet area for the listed move-out cleaning visit. The comparison shows the area before work and after the completed service. It describes only what is visible in the supplied photos and recorded project notes.

COMPLETION DETAILS

What was documented

WORK COMPLETED

- Move-out carpet cleaning recorded for the living room
- Before and Completed photos kept together by area
- Customer-visible evidence included for review

VISIBLE RESULTS

The Completed photo shows a more even-looking carpet surface in the documented area. It is presented with the corresponding Before photo for easy review.
